

**Muslim Voice** Bulletin 082623

---

[The Muslim Voice Project](#) offers a platform of technology services for the Muslim Community of North America. It provides the needed infrastructure to transform the community towards [unified positions](#) and integrated action plans. It seeks Muslim representation at local, state, and federal levels. So, please [help](#).

---

We started this News Journal in August 2018. We celebrate five years of the service we have provided continuously to the Muslim Community in USA. You can find all the issues of the News Journal by clicking [here](#). This has been done on a voluntary basis.

At this fifth anniversary, we have resolved to change its format. Going forward, we will not issue the monthly News Journal. Instead, we will issue Muslim Voice Bulletins on as needed basis to continue to inform and involve the mosques, organizations, and individuals in the service of the Muslim Community of USA.

As part of this bulletin, we wish to draw your kind attention to the 8 books that our publication department, [MV Publishers](#), has published. They are listed at the end of this Bulletin, and are available at a discount from us by [email](#) and by phone. They are also available at your local bookshop and at Amazon.com and BarnesandNoble.com. You also have the opportunity to have your own books published through us, at a nominal cost starting at \$950.

You can participate by writing via [email to Muslim Voice](#) or by calling at 240-614-6161. We welcome your feedback, critics and suggestions. It is enjoined to serve the Muslim Community.

Our mission remains the same, with greater vigor and resolve.

Please click [here](#) to help us with your online donations, Sadaqat and zakat. If you prefer donating by check, please write and mail your checks to: The Muslim Voice, 12719 Hillmeade Station Dr, Bowie, MD 20720, USA.

Stay in PEACE.
